lovmedholdelig

A word cloud of Danish education terms. The most prominent words are 'Erhvervsuddannelser' (vocational education) and 'Uddannelser' (education). Other visible terms include 'Enkeltfag' (single subject), 'Gymnasie' (gymnasium), 'HF' (vocational high school), 'AMU' (adult education center), 'SOSU' (social science), 'HTX' (vocational high school), 'STX' (vocational high school), 'EUD' (vocational education), 'EUX' (vocational education), 'FGU' (vocational education), 'HFX' (vocational high school), and 'HXX' (vocational high school).

Hvad dækker den?

Hvor er vi nu?

- Starter workshops med gymnasier
- Skal lave aftaler og starte workshops med andre skoler
- Samarbejdspartnere, finde den optimale proces, fælles ny it-strategi
